

CASTLE & CATHEDRAL DISTRICT

In 2024, we celebrated our inaugural year as a certified Creative District by the Nebraska Arts Council. The Castle & Cathedral District is a partnership with four non-profit organizations in our Joslyn Castle neighborhood with a mission of uplifting and celebrating our diverse creative community.

Our collaborative programming and monthly Art Walks generated an estimated 60,000 visitors to the District in 2024, as well as created jobs and generated thousands of dollars into our local economy. At the Joslyn Castle, our contributions to the Creative District included monthly:

- FolkHouse at the Castle concerts
- Local Author Celebration Series
- Art Walks
- Community Art Exhibitions
- ... and More!

How To Support

Four Ways To Give

An investment in Joslyn Castle & Gardens means we can continue to share and preserve Omaha's historic treasure for future generations. With your support, we are able to provide opportunities for our modern community to connect with our history through educational and cultural programming, in addition to preservation and restoration efforts on the 5.75 acre estate.
